

agrishield

Agri-Shield

Agri-Shield is a blanket protection coverage designed to help protect you and your farm.

Walk away from the hassle of writing lists of everything you want insured. Agri-Shield allows you to set your limit of coverage for your insurable property. Just like that, nothing gets missed, and you don't need to continually update a list when you purchase new items.

Farm Property

Your Agri-Shield coverages provides a single amount of protection for:

Fire Fighting expenses

- Liability for fire department charges incurred when a municipal Fire Department is called to save or protect property insured under your policy.

Debris Removal

- The cost of clean-up and removal of debris off the Insured property.

Farm Building Contents and Tack Equipment

- Usual to a farming operation, owned and used by the Insured and for which the Insured is legally liable.

Tools

- Usual to a farming operation owned and used by the Insured and for which the Insured is legally liable.

Limits of Liability

- The amount of protection begins at \$50,000 with a deductible of \$250.00.
- 80% Co-insurance clause applies

Farm Product

Your Agri-Shield coverage provides a single amount of protection for:

- Fertilizers and Chemicals usual to a farm operation.
- Fodder owned by the Insured.
- Grain usual to a farm operation.
- Produce usual to a farm operation.

Limits of Liability

- Protection begins at \$100,000 with a deductible of \$250.00.
- 80% Co-insurance clause applies.
